Dear Jack:

I want to thank you for taking the time to have lunch with STAP during our meeting this week. I know your schedule is heavy, but I'm certain the Panel's improved understanding of your perspective was more than worth the effort.

In the past, STAP has not worked as closely with DIA as it has with other agencies in the Community. Your comments, though, have given us food for thought, and I believe we may find ways where we can contribute something positive to you.

Again, let me thank you. The Panel enjoyed your visit, but more importantly, the members benefited from it. As you know, as a Steering Group member you are welcome to attend any STAP meeting you can make. I hope we'll see you more often in the future.
